TBUS-1N

Table Mount Modular Multi-Connection
Solution – Retractable Lid

TBUS-1N is a modular furniture-mounted connection bus enclosure that easily installs into a table or podium top. Once assembled, TBUS-1N enables you to connect any equipment to the room's presentation system via cable access or passive interfaces. When the cables are not in use, they can be stored inside the unit, covered by the lid and out of sight.

NOTE: The TBUS enclosure, power socket, power cord & inserts are purchased separately

FEATURES

Modular Design - Tailors to your requirements

Cover - Black sand-blast or silver sand-blast anodized aluminum lid with a special opening for cable pass-through. (Note, other customized colors can be ordered)

Height Adjustment - Use screw holes to set the inner frame (ordered separately) to the desired height

Power Sockets - Single or dual power socket openings are suitable for any of the following power sockets: USA, UK, Switzerland, Germany (the Europlug), Belgium-France, Italy, Australia, Israel, Brazil, South Africa or "Universal" for use anywhere

Cutout Dimensions - 195 +2mm x 173 +2mm (7.68 +0.08in x 6.82 +0.08in)
