

# Forward Family

## rackmount panels & cable management

### Hardware free is the way to be.

Stop fussing around with rack screws when installing panels or lacer bars. Installation is up to 5X faster when you simply click the panel or cable management in and move on to more important things.

Compatible on all BGR Series enclosures.

### features:

- No rack screws! Easily install & remove your panels and cable management without any hardware
- 5X faster installation over traditional rack screw installation
- Ergonomic clips for easy installation and removal
- Spring loaded clips secure panel into the Forward rackrail
- Black powder coat finish
- Compatible with Forward rackrail & enclosures
